## PROFILE

I'm a software developer with keen interest in frontend. My university studies included native mobile & web application development with emphasis on mobile compatibility. I also have a strong passion in UX & UI design and I thrive when I get to create complex and beautiful UI's.

## EXPERIENCE

### DIGITALENT CONSULTING

MAY 2021 - CURRENT

- Senior Consultant at Digitalent, an Academic Work company that provides senior level software development services to various customers in the field of IT.

### SIEMENS

JAN 2020 - MAY 2021

- Software Engineer at Siemens Finland software development team with product & customer responsibilities. Most of my daily programming consisted of creating responsive, complex SPA applications. Creating stellar user experience and functional frontend's in-collaboration with Siemens' customers formed to become my strength over the years at Siemens.

### SIEMENS

AUG 2018 - JAN 2020

- Junior Software Developer in Siemens Finland software development team.

### SIEMENS

MARCH - AUG 2018

- Trainee in the Siemens Finland software development team.

### QPR SOFTWARE PLC

JUNE - AUG 2015

- Trainee at QPR. Microsoft CRM administration, QPR Community website development.

### SOLTEQ PLC

JUNE - DECEMBER 2014

- Trainee. Creating and modifying new website with Drupal. Guiding employees in content creation for the website
