PROFILE

I'm a software developer with keen interest in Frontend. My studies included native mobile & web application development with emphasis on mobile compatibility.
I also have a strong passion in UX & UI design and I thrive when I get to create complex and beautiful UI's.

EXPERIENCE

SIEMENS
JAN 2020 - CURRENT
- Software Developer in Siemens Finland software development team. Most of my daily programming consists of creating responsive, complex SPA applications with user friendly UI's. Creating stellar user experience and functional Frontend's are my strengths.
  Example of the projects: **https://bit.ly/2RuRR9F**
