PROFILE

I'm a third semester computer science student at Helsinki Metropolia University of applied sciences. I'm majoring in Mobile Solutions. The studies include native & web application development with emphasis on mobile compatibility.
I also have a strong passion in UX & UI design

EXPERIENCE

SIEMENS
AUG 2018 - CURRENT

- Junior Software Developer in Siemens Finland software development team. My responsibilities include designing, implementing and programming the frontend's of our MindSphere Web Applications. We use Angular 7 as the Javascript framework and a NodeJS backend for data manipulation.
Example of the projects: **https://bit.ly/2RuRR9F**
